Product information

The DermiFlex Ultra provides additional protection water, oil and grease due to the additional 3/4 dip compared to the A350. The super light 15 gauge nylon liner has a soft nitrile foam palm for the ultimate comfort, dexterity and sensitivity.

General Handling

The general handling and grip glove category is one of the most popular collections within the Portwest hand protection range. A carefully selected range of coatings, including latex, nitrile, polyurethane and PVC, provides a broad range of styles suited to a diverse range of tasks.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....
