Product information

The Modaflange Rain Multi Norm Arc Trousers gives full protection against a range of standards and is packed with features. With a zip off function at the back, the bib can be removed completely to turn it into a trouser which adds to its overall versatility. FR reflective tape enhances visibility whilst contrast knee panels and hem protect against dirt.

Modaflange™ Rain+ HV

Modaflange™ Rain+ HV provides anti-static, flame, chemical, electric arc, and waterproof protection. Hi-Vis Yellow is certified to EN ISO 20471; Hi-Vis Orange is also certified to EN ISO 20471 and RIS 3279 standards.

Flame Resistant Multi-Norm

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
